

STAINLESS STEEL ELECTRICAL DEEP FRYER (PREMIER)

Product Name: Stainless Steel Electrical Deep Fryer (DF11D-17)

Electric Deep Fryer - Premier Model

This electrical deep fryer is perfect for commercial use! It is thermostatically controlled to ensure the correct temperature, has a flip-up control panel for easy cleaning, and has a stainless steel exterior design that is hygienic and easy to keep clean. The basket has an insulated handle for your safety and convenience, as well as a pilot light so you can always see what you're doing. Plus, there's even a stainless steel oil pan with a depth of 200 mm to accommodate large quantities. And don't worry about overheating - this fryer comes with an overheat reset switch!

- Thermostatically controlled to required temperature.
- Flip up control panel for easy cleaning.
- Stainless steel exterior design, hygienic & easy to keep clean.
- Basket with insulated handle hygienic and long lasting.
- Pilot light.
- Stainless steel oil pan (200 mm depth).
- Basket support for dripping (support to control panel).
- Over heat reset switch - prevents over heating.
