TECHNICAL DATA

MODEL

ALPHA C60S

Cooling technology	Compressor
Model class (litre)	60
Storage volume (litre)	49
Door Type	solid door
Product Dimensions (H x W x D, mm)	565/490/510
Can be built-in/integrated	With ventilation
Sliding hinge kit	Yes
Variable door hinge	Yes
LED Interior light	Top light
Input rating (W)	45
Engery consumption (kWh/24 h)	0,146
Noise level (dB[A])	36
Energy Class	D
Features	<ul style="list-style-type: none"> • High performance • Lowest energy consumption • Integrated silent mode • 2 x plastic shelf • 7 position shelf slots • 2 x transparent balcony
