

ZACME KMA0270

Data Sheet

Commercial Stand Mixer / Food Processor Kneading Machine

Model	KMA0270
Bowl capacity	7 L / 7.4 qt stainless steel bowl
Motor power	1500 W
Voltage / frequency	AC 220-240 V / 50-60 Hz
Speed control	11 speed settings
Noise level	Typical <=45 dB, max. 70 dB

MAIN FEATURES

- 1500 W powerful motor for mixing, kneading and whisking applications.
- Large 7 L stainless steel bowl suitable for small to large batch preparation.
- 11-speed control for low-speed dough kneading, medium-speed mixing and high-speed whipping.
- LCD display with countdown, pause/break and restart functions for controlled operation.
- Tilt-head structure with lift-lock mechanism for safe bowl and tool access.
- Die-cast metal housing with anti-slip suction feet for stable countertop use.
- Supplied with stainless steel dough hook, flat beater/stirrer and whisk.
- Transparent splash guard helps reduce splashing and allows ingredients to be added during mixing.
- Dishwasher-safe bowl and accessories for easier cleaning.

TECHNICAL DATA

Parameter	Specification
Brand	ZACME
Model	KMA0270
Product type	Commercial stand mixer / food processor kneading machine
Bowl capacity	7 litres / 7.4 quarts
Motor power	1500 W
Voltage	AC 220-240 V
Frequency	50-60 Hz
Number of speeds	11 speed levels
Noise level	Typical <=45 dB; maximum 70 dB
Dimensions (W x D x H)	Approx. 460 x 310 x 415 mm
Net weight	Approx. 12.5 kg
Main materials	Stainless steel bowl and attachments; die-cast metal housing
Included attachments	Dough hook, flat beater/stirrer, whisk, transparent splash guard
Optional accessories	Pasta maker, meat grinder, juice extractor and other attachments sold separately
